TRAUMA TRAINING TUESDAY

VIRTUAL/ZOOM

THIRD TUESDAY OF THE MONTH

Understanding Civilian Police Oversight

Civilian police oversight has become the focus of an important community conversation in Worcester—but what does civilian oversight entail? What models are already used in other communities, what authority can civilian oversight bodies have, and what makes them effective? Join us for a community teach-in exploring current police oversight, accountability, community trust, and public safety. Whether you support civilian oversight, oppose it, or simply want to better understand the issue, this session is designed to give community members the information they need to participate thoughtfully in the conversation.

Bil Gardiner, former WPD officer and **Roberto Diaz**, ED of Worcester Interfaith. Read more complete bios [here](#)

Using the link below you should be able to join from a desktop, laptop, tablet, or phone at noon on August 18th. It will be recorded for later viewing. No need to RSVP to join, and please share!
