Trauma of Divorce

Divorce is more than a legal process — it's an upheaval that can leave deep emotional, financial, and relational wounds. For children, it is considered an Adverse Childhood Experience. For women, the reality is stark: 44% experience divorce-induced poverty, often facing challenges that can take decades to overcome. **The Sparrow Collective** is a team of Divorce Care professionals dedicated to disrupting the status quo for women and children navigating divorce and changing the narrative to one of unlimited possibilities.

Susan Tripi, Founder of the Sparrow Collective brings 25 years of nonprofit management, executive + church leadership, and organizational development to the team. Her passion is to advance the position, equity, and opportunity for women. As a divorcee, Susan understands the challenges and opportunities women encounter during this critical period. She is joined by **Maria Natapov**, Board Vice Chair and **Rita Morris**, Director- bios available at thesparrowcollective.org
