# TRAUMA TRAINING TUESDAY

PANDEMIC VIRTUAL EDITION

THIRD TUESDAY OF THE MONTH

12:00 P.M.-2:00 P.M.

## REFLECTING ON TRAUMA

So much has happened in the world since we started Trauma Training Tuesday. Being immersed in learning about trauma while simultaneously experiencing it has brought pain and challenges, but also insight and learning. The process of reflecting is vital to healing, yet rarely do we take time to reflect. Join us as we create space to talk and share about our experiences through the pandemic and what we need to move towards better mental health.

Bradley Hall is a Certified Trauma Recovery Coach. He will talk about the International Association of Trauma Recovery Coaching and how the model of survivors helping survivors is bringing healing to more people than ever before. Trauma Recovery coaching can provide a way to credential helping professionals and get them connected with people in need at a time when the demand for Mental Health resources far exceeds the supply.

Using the link below you should be able to join from a desktop, laptop, tablet, or phone at noon on January 18th. It will be recorded for later viewing. No need to RSVP to join, and please share!
