TRAUMA TRAINING TUESDAY

VIRTUAL EDITION

THIRD TUESDAY OF THE MONTH

12:00 P.M.-2:00 P.M. EDT

THE TRAUMA OF FAMILY SECRETS

Many families have them. They usually spring from a desire to protect resources, save reputations or keep someone from being hurt. Inevitably they cause more hurt. Just having a secret creates factions—people who know, and people who don't; people who go along with a falsehood and people who want to tell the truth. In this age of access to information, secrets people planned to take to their graves have been revealed, causing pain, devastation, and estrangement in their wake. We will hear from people who have been hurt by family secrets and hopefully make a case for truth and reconciliation moving forward.

Speakers include- Cassandra Adams, Erin Cosentino, Nerissa Harper-Ketter, Cindy McQuay, John Moyer & more. They will talk about generational trauma, Not Parent Expected, Donor Conception and its impact. Bios of speakers can be found at www.worcesteracts.org

Using the link below you should be able to join from a desktop, laptop, tablet, or phone at noon on June 20th. It will be recorded for later viewing. No need to RSVP to join, and please share!
