Trauma Training Tuesday

Pandemic Virtual Edition

First & Third Tuesday of the Month

12:00 P.M.-2:00 P.M.

TRAUMA OF ADDICTION

Addiction is often rooted in trauma. People start using substances to numb the pain and silence disturbing thoughts and memories. Unfortunately, the substance can become central, causing more trauma and negative life outcomes. Rebecca and Lori from NOWA (No One Walks Alone) will share their journeys of recovery.

Rebecca Zwicker, CARC is an experienced Recovery Coach Supervisor and Director of NOWA Peer Recovery Center. She uses her own experience in recovery to support and connect people who are at a crisis point in their lives. She has been instrumental in expanding the use and scope of recovery coaches throughout the state. Her certification is from New England School of Addiction and Prevention Studies.
